

Method of access

Access by car

Take National Route 7 towards Akita from the Sakata Port IC of the Yamagata Expressway.

Turn right onto National Route 374 at the first traffic light after crossing the Nikko River Bridge. There is a sign for the Chokaiminami Industrial Park, and if you go straight on, you will see the company's Sakata Plant on your right.

Access by public transport

Please get off at JR Sakata Station and use a taxi.
